### Notes to Editors:

- Digital Marketing Group is not a “marketing services” group and will never seek to make investments in traditional marketing services such as mass-market advertising agencies, packaging, design, or sales promotion.
- Digital Marketing Group plans, creates and executes communications across digital and direct media channels. By coupling this with database marketing skills the Group produces more effective digital direct marketing, higher brand-consumer loyalty and improved profitability for its clients.
- Its strategy is to grow organically and by acquiring businesses with complementary skills in digital direct marketing.
- Digital Marketing Group employs over 500 people with a market capitalisation of £79.5m (as at close of day 02/08/07).
- Inbox Digital has enjoyed industry wide recognition having won the Games Category at the NMA Effectiveness Awards 2007 for their online game, ‘Viva la volley’. Stan James commissioned Inbox Digital to create an online game to promote its betting services during the 2006 FIFA World Cup. The Awards were announced on Thursday 28<sup>th</sup> June 2007.
- Graphico won the Travel Category at the NMA Effectiveness Awards 2007 for the First Great Western consumer-facing website. Graphico created a seamless online journey from route planning to ticket sales, integrating third-party information to create a destination site.

The Group currently comprises seven complementary agencies:
